RECYCLING - Certificate

038 - 107-RC-B - 2025

This is to confirm that the

construction product:

“RC-Brick”

according to **EN 771-1** and **DIN 20000-401**, intended for load-bearing or non-load bearing, unprotected masonry with a special mixture: **≥30 m-% secondary raw material mix**

from the manufacturer:

Girnghuber GmbH
Factory Marklkofen
Ludwig-Girnghuber-Straße 1
DE-84163 Marklkofen

according to the results of the factory production control and the annual inspection by the inspection body

Güteschutz Ziegel e.V.
Weidehofstraße 15,
DE-08451 Crimmitschau

and the annual inspection carried out:

during its production process
≥30 m-% secondary raw material mix

has been verified.

This certificate will remain valid up to the next annual inspection by the inspection body, provided the above Technical Specifications, the construction product itself or its production conditions are not changed significantly or until it is declared invalid by the certification body.

Crimmitschau, 27.05.2026
